

PROVIDES NEW INSIGHTS ON THE LASTING IMPACT OF  
FAMED PHILOSOPHER AND EDUCATOR PAULO FREIRE

Fifty years after the publication of his masterpiece, *Pedagogy of the Oppressed*, this book brings new perspectives on rethinking and reinventing Brazilian educator and philosopher Paulo Freire. Written by premier exponents and experts of Freirean scholarship, it explores the currency of Freire's contribution to social theory, educational reform, and democratic education. It also analyzes the intersections of Freire's theories with other crucial social theorists such as Gramsci, Gandhi, Habermas, Dewey, Sen, and others, as well as the contributions of Freire to contemporary critical theory.

*The Wiley Handbook of Paulo Freire* studies the history and context of the man as a global public intellectual, moving from Brazil to the rest of the world and back. Each section offers insights on the epistemology of the global south initiated by Freire with his work in Latin America; the connections between class, gender, race, religion, the state, and eco-pedagogy in the work of Freire; and the contributions he made to democratic education and educational reform.

- Presents original theory and analysis of Freire's life and work
- Offers a unique and comprehensive analysis of the reception and application of Paulo Freire in international education on all continents
- Provides a complete historical study of Freire's contributions to education
- Systematically analyzes the impact of Freire in teachers' training, higher education, and lifelong learning

*The Wiley Handbook of Paulo Freire* is an ideal book for courses on international and comparative education, pedagogy, education policy, international development, and Latin America studies.

**CARLOS ALBERTO TORRES** is Distinguished Professor and former Director of the UCLA-Latin American Center. He is the Founding Director of the Paulo Freire Institute in São Paulo, Brazil; Buenos Aires, Argentina; and UCLA. Dr. Torres has been a Visiting Professor in universities in North America, Latin America, Europe, Asia, and Africa. He is also the holder of the UNESCO UCLA Chair on Global Learning and Global Citizenship Education, Department of Education, UCLA; and is a Foreign Fellow in The Royal Society of Canada (also called the Academies of Arts, Humanities and Sciences of Canada), and a Corresponding Member of the Mexican Academy of Sciences.
